

Extended Learning Opportunities @ Mansel

**Autumn 1
2015**

Welcome to our guide to our Extended Learning Opportunities for the Autumn 1 Term.

Follow the success of last years Extended Learning programme we would like to continue to offer an extensive variety of after school clubs for our children to attend. Our aim is to build upon our existing opportunities and continue to extend the number of clubs that are on offer to children, both through school staff and external providers.

Please have a look through the menu in this brochure. If your child/children are interested in any of the after school clubs on offer, please return the expression of interest form to the school office by Tuesday 8th September Places will then be allocated to the clubs and you will receive a text if your child has been allocated a place. (Please ensure your contact number is up to date.) Clubs will start the week beginning 14th September 2015.

If you have any questions, please come and speak to us in school. My continued thanks for all the support you give to the children to enable them to access the opportunities that are on offer to them at Mansel.

Activity Menu Autumn 1

Science Club

KS1

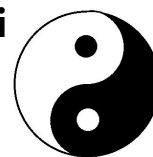

Wednesdays
