

# Extended Learning Opportunities @ Mansel

Summer 2

2016

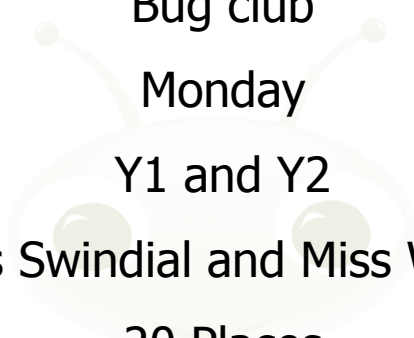

Welcome to our guide to our Extended Learning Opportunities for the Summer 1 Term.

As a school, we are looking to expand our after school provision and over the next year, our aim is to build upon our existing opportunities and extend the range of clubs that are on offer to children, both through school staff and external providers.

Please have a look through the menu in this brochure. If your child/children are interested in any of the after school clubs on offer, please return the expression of interest form to the school office by **Friday 27th May**. Places will then be allocated to the clubs and you will receive a text if your child has been allocated a place. Clubs will start the week beginning **Monday 13th June 2016**.

If you have any questions, please come and speak to us in school. My continued thanks for all the support you give to the children to enable them to access the opportunities that are on offer to them at Mansel.

# Activity Menu Summer 1

A faint, light-colored illustration of a bug with antennae and large eyes, serving as a background for the text.

Bug club  
Monday  
Y1 and Y2  
Miss Swindial and Miss Winks

If your child is interested in attending any of the clubs above, please complete an expression of interest form attached to this leaflet and return to the school office. Please keep the leaflet so you know which days the clubs run on. We will then let you know if your child has a place in the club by the end of this half term.

You can apply for more than one club .

**If your child applies for clubs, can you please make sure they attend each week. If your child misses two weeks, then the place will be given to someone else. Please ensure that your child is eligible to attend the club.**

Thank you for your support.

## Expression Of Interest Letter...

Dear Families
