The last day of term is Thursday 26th May. Friday 27th May is an INSET Day. We return to school on Monday 6th June 2016.

Our children from across all year groups at Mansel, have had a great Summer term so far, taking part in a wide range of sporting activities. Y5 started off the half term by taking part in a Sports Hall Athletics competition at Ponds Forge, where they represented the school brilliantly. At the end of April, both Key Stage 1 and Key Stage 2 children had the chance to go to the English Institute of Sport (EIS) to take part in the Points Network Games. Again our children were fantastic Mansel Ambassadors and enjoyed undertaking a range of different sports activities at a grand venue.

Just last week, Mr. Watson took a group of our Y4 tennis players to the Hallamshire Tennis club to compete. They were up against some stiff competition, and managed to get through to the semi finals, which we were thrilled about, as it was the first time the children had played in such an event.

Yesterday, a group of children from across Key Stage 2, had another chance to try something new and took part in an after school orienteering competition at Westfield. Ms Wallwin said the children were a credit to Mansel!

We are really proud of all of our children and the sportsmanship that they have shown during every event they have taken part in this term. I know that we have even more sporting opportunities planned for children in Summer 2, as well as our own sports days—look out for more information about these soon!

#MANSELFEST2

54 DAYS TO GO!

WE HOPE TO SEE YOU THERE!

As we move towards Summer and the weather (hopefully!) starts to get a little warmer, can we please remind you that our uniform standards are still the same. Children should not be coming to school in flip flops and open toe shoes, hot pants or vest tops. Our school colours and uniform should still be worn throughout the Summer months.

counting.

Mobile Phones

We have had a number of incidents recently where children have been found to have mobile phones on them or have been seen using their phones during the school day. Children do not need to have their phones on them at all during the school day. If a child needs to bring a phone to school, because they are walking home alone at the end of the day, they have an after school club etc, they need to hand their phone in to the office and sign to say they have left it there. Children should then collect their phone at the end of the school day from the office. We will be updating our mobile phone policy for September. If you have any questions in the meantime, please see a member of staff in school.

Thank Mansel Staff

We are very lucky at Mansel to have a hard working team of staff that always go above and beyond to the best for the children they work with. I'm sure there have been times when you have wanted to let us know in school about something one of our staff members has done to support your child. Now is your opportunity! We have set up an email address, so that you can drop us an email and tell us about some of the great things our staff do.

As Leadership we know we have an amazing team, but we don't always see the small things they do, that you might see each day. We would love to know, so we can say thank you too!

If you would like to thank a Mansel staff member, please send an email to:
