

Year 4 home learning Autumn 1

Write a non-chronological report about yourself. You could include subheadings like hobbies, family and friends.

Write a letter to your new teacher telling them all about you and what you want to achieve in Year 4.

Create a word search using words that all mean something to you.

Practise a new skill that you have always wanted to learn.

Create a healthy lunch box for Year 4. Think about the different food groups you need to include.

Write down everything you know about the zones of regulation.

Every day you should...

Read independently or with an adult.

Fiction, non-fiction, newspapers and poetry

Learn your times tables.

This can be Mathletics, TTRS and by playing games etc.

Learn your spellings

Use the different strategies to help you (bubble writing, pyramid etc.)

Year 4 Autumn 1

In Maths we will be learning about place value up to 4 digit numbers, comparing numbers and rounding numbers to the nearest 10, 100 and 1000. Towards the end of the half-term, we will be classifying and comparing 2D shapes and recognising angles in shapes.

Our topic this half-term will link to our PSHE theme which is all about me. We will be learning about our own feelings and being able to understand others. This will also link in with our English topic as well as our zones of regulation.

In English this half term our text type focus will be a recount. We will spend time looking at, and analysing our chosen book called 'Something Else' and finding SPaG features that we can practise and include in our own recounts. We will then plan, write and critique our own recount before publishing our final work.

Important dates and information

PE

Y4 Starlings & Buzzards - Monday & Thursday

Parent consultations - Wednesday 2nd October & Thursday
3rd October

Individual photos - Wednesday 16th October
