

Y3 Home Learning Autumn 2

Draw a self-portrait and label all of the things which make you unique, like your hobbies, strengths and favourite things.

Look around your home for things you can make move using a force. Is it push or pull? Can you record them in a table?

Make a poster all about Vikings

Come up with some advice to stay safe online. You could make a poster, film a video, write an online safety poem or song... get creative!

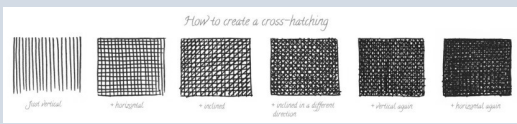

Write a quiz about forces and magnets for your friends and teachers

Research Viking long ships and draw a picture with labels

Everyday you should...

Can you create still life using objects in your home? Use hatching and cross-hatching to create your still life drawing.

Read independently or with an adult

Practise your times tables
3x, 4x and 8x

Practise Year 3/ spellings
and high frequency words

Research Egyptian death masks and design your own
